---

### **Lower Hall & Lower Hall Lobby Move-in**

Due to the limited space around the Lower Hall dock and tunnel, if you **DO NOT** require access to the loading dock or fork lift to move into the building, please enter the Convention Center parking garage (Front & Winchester) and use the pedestrian door on level P1. When you come down the ramp into the Garage P1 is the first level and the doors are across the garage from the entrance ramp. You can unload at the glass doors and then go park your vehicle.

### **Directions to Lower Hall Tunnel/Dock:**

**DO NOT travel across or along Main Street with loads over 12 ft 6 inches.**
